Misael,

I got your voice message and text. I am always happy to meet with you. The 14th won't work so we will have to find another mutually convenient time. To have some background what is the purpose of the meeting? I assume you are wanting to look at trip reductions to be used in the 3 districts that submit SIP's in Arizona or for what ADEQ submits to Region 9. Please let me know what you want to discuss with the technology company so that I can get some background briefing by my staff before we meet.

Best regards,
Michael Stoker
